## best brownie

Here is a real find! A small cafe in a side-street in Prahran makes the best brownie this reviewer has ever tasted. Soft and chocolately core, crunchy chocolate skin, this brownie (made by Eugenius owner Mary Snee) not only melts in your mouth but will melt your soul!  
Eugenius is open 7 days a week from 7.45am. It is located at 99 Hornby St., Windsor.

**MELBOURNE TIP:** This elegant city is the food capital of Australia. Wherever you go you will find small cafes and bars tucked away in side-streets. Coffee is taken very, very seriously. Baristas are treated as celebrities.
